

Hello Community Challenge Team Captains,

Thanks for connecting with your team members to request that local businesses sell GLR Children's Auction paper ornaments to their customers.

The "Starter Kit" for businesses includes:

- Business request letter
- Supply of \$1, \$5 and \$10 ornaments, with bar code for POS transactions on reverse side
- Flyer and tent card to promote sales
- Ornament Receipt form – to be completed by the business to record total sales.
This form should be picked up by your team member along with the money raised, and deposited to MVSb along with the correct deposit form. Both forms are available on the web site.
<https://www.childrensauction.com/challenge>.

If any business wishes to sell ornaments after Dec 6th, please ensure that additional funds are deposited to MVSb by year-end. These funds will be credited to your team for next year's Community Challenge total.

Any business that does not have wall space to display sold ornaments could consider selling them to customers to take home.

If additional ornaments are needed, please contact me with the number of ornaments requested by denomination value - \$1, \$5 & \$10. I can also supply you with additional flyers and tent cards, or easily email you that document to print at your location.

Thanks again for extending this offer to local businesses and for ALL you do! It's for the kids!

We will be broadcasting live at the Belknap Marketplace for our 41st Auction this year from 9AM - 7PM, Tuesday, Dec 6 - Friday, Dec 9th. The address is: Belknap Marketplace, 96 Daniel Webster Hwy, Belmont NH. Hope to see you!

Gratefully,

Jennifer Kelley

Executive Director

To Local Retail and Business Locations:

Want to show your support of the Greater Lakes Region Children's Auction right from your business? Now you can sell ornaments for \$1, \$5 or \$10 donations! They're 4" round cardstock ornaments that your customers can write their name or business name on for you to display at your business. If display space is not practical, customers can take ornaments home. The reverse side includes a bar code for POS sales. 100% of the donations will be added to the total raised for the GLR Children's Auction.

To learn more about local organizations funded by the Children's Auction, visit the website www.childreणाuction.org. Join us December 6-9 at Belknap Marketplace, 96 Daniel Webster Hwy, Belmont, NH from 9AM-7PM daily! We will also be broadcasting Live on Lakes FM 101.5 Radio, also locally on Breezeline Channel 12, LRPA Channel 25, and covered by The Laconia Daily Sun! We are now collecting items as well!

The Community Challenge team member shown below will be your contact to deliver your ornaments and will pick up all donations and any unsold ornaments in December. Please contact them with any questions.

Thank you.... It's for the KIDS!
